FALLS IN VAT OF BOILING DYE

Mayfield Man in Serious Condition from
Accident at Woolen Mills.

Herman King lies in a serious condition at his home on South Twelfth street as the result of falling into a vat of boiling dye at the woolen mills yesterday afternoon.

King, it is said, was working around the place when a piece of timber fell, striking him in the stomach and knocking him into the vat of scalding dye. He was unable to extricate himself, and workers nearby, attracted by his screams, pulled him from the vat. His back and legs are the parts affected, and all through last night the victim suffered excruciating pain. Dr. Fuller, the attending physician, says that King will recover.

Mr. King is about thirty-five years old and has been employed at the mills for a number of years. He has a family and resides on South Twelfth street. Luckily for the unfortunate man, his wages will go on as all employees of the mills are protected by insurance which is furnished by the proprietors.—Mayfield Messenger (Friday).

STATE REVENUE \$11,541,844.

State revenues for the calendar year 1920, according to monthly reports on the condition of the treasury, made by the State Inspector and Examiner, amounted to \$11,415,898.90. This covers the period of the present State administration. There was a balance of \$125,946 when the administration was checked January 5, 1920, making a total revenue available for the year \$11,541,844.90.

The balance at the close of the year, December 31, was \$4,040,519.01, and during the year outstanding interest bearing warrants increased \$4,554,957.36, making a total expenditure, represented by money checked out and the floating debt incurred, of \$12,606,283.25 or \$629,384.25 in excess of the revenues. Revenues for the calendar year fell \$784,101.10 short of the estimated revenue for the fiscal year, 1920-21, on which the first annual budget was calculated. It was estimated in the budget report that the revenues would amount to \$12,200,000 and the expenses to \$11,450,000, which would leave a margin of \$750,000 for contingency or to reduce the floating debt. Calendar year expenses ran \$586,283.25 over the amount of the budget appropriations for the fiscal year.

This showing for the calendar year, however, cannot be taken as conclusive that the revenues for the current fiscal year will fall below the estimate or that the expenses will exceed the budget. There are six months remaining of the fiscal year, which ends June 30, and the revenues yet to come in may exceed those for the corresponding months of 1920, while the department expenses may be less.

The calendar year for which figures are available include only six months of the fiscal year embraced in the budget system. Departments during the first half of the year were operating under 1918 appropriations and if an increase in revenues and decrease in expenditures the next months make a difference of \$1,336,283.25 in favor of the treasury as compared to the corresponding six months of 1920 the administration will come through its first fiscal year with all current bills paid and the floating debt reduced \$750,000.

A WOMAN IN THE FIELD.

If current reports be true, Miss Cora Morehead, will be a candidate for the office of Circuit Clerk in the coming election. Her friends, (and they are legion) are urging her to make the race. Miss Morehead is a woman beloved by this entire community; and her native ability and fitness, her irreproachable character, and her integrity of purpose will make her a formidable competitor should she enter the list.—Mayfield Messenger.

The Fulton Wireless in commenting on the prospects for league baseball in this neck of the woods next summer points out the apathy which the citizens of Paducah are showing toward the proposition, and says further: "In the meantime Mayfield and Fulton are going ahead with their plans. Both have effected their organization, and in our town the team is practically completed. We believe that if the matter is taken up in the right manner Paducah can be interested in reviving the old Kitty League. A kitten has nine lives, and the Kitty League still has a few lives left. We should like to see this revival, for belief that organized ball will be better for Fulton than an independent team." Which leads us to opine that if Hickman fans don't get a hustle on we'll be left out in the cold so far as baseball is concerned. If there is to be a league organization in this part of the state Hickman ought to be in it. At any rate, in order to have a team which will be able successfully to compete with our rival towns, work should be begun at once on its formation and organization.

Mary Garden, grand opera star, has been elected director of the Chicago Opera Association. She is the first woman to have the management of a grand opera company.

E. R. Ellison and wife and little daughter, Mary Parks, left Sunday morning for St. Louis to be gone for a few days. Mr. Ellison is there buying goods for his store.

J. O. WEST OUT FOR SHERIFF

Hickman Mayor Announces for Important Fulton County Office.

The Courier takes pleasure in presenting to the voters of Fulton County the name of Mayor J. O. West, who formally announces himself as a candidate for the office of Sheriff subject to the Democratic primary in August.

It is hardly necessary to tell the voters who he is, for he is well known throughout the county and state. For the past several years he has been manager of the LaCade Hotel here, and through his progressiveness has proven himself to be one of the best hotel men Hickman has ever had, and this business ability makes him especially qualified for the position which he now seeks.

Mr. West now holds the office of Mayor of Hickman, which he has held for the past year. During this time he has done more for the progress and development of the city than any other

J. O. WEST

man who has held this office for the past fifteen years, and this has been done despite the woeful lack of funds with which he has been handicapped. Not only has he devoted his time and work to the welfare of the city but his entire salary as mayor has been contributed to the city road work. Not the least of his accomplishments has been the establishment of the little zoo in the city park, and his efforts toward beautifying the park, most of which was done through his individual efforts.

He was especially active during the war, giving his time daily to the work of the Red Cross and Liberty Loan drives, and it is said of him that two-thirds of the money contributed for war purposes in this part of the county was handled to Mr. West. Without injustice to any other man, we believe it can be said that no other man in the county worked harder for the cause of his country on this side than did Mr. West. Many of the novel schemes which were used to secure funds for the Red Cross and other war organizations originated with him.

He has at all times given of his means and time to the poor and needy of the town and to the religious and benevolent organizations, and his readiness to help those in distress has won for him many friends.

Such is the man who asks for your support at the primary election in August. He is a good citizen, a zealous public servant and if elected he will make the county a very efficient sheriff. We bespeak for Mr. West your hearty consideration because he is worthy of it and will appreciate it.

SUDEKUM TO BORE FOR OIL AT REELFOOT LAKE

A year ago or more Gov. Roberts, representing the state of Tennessee, entered into a contract with certain oil operators of Texas to drill for oil in the Reelfoot Lake region. According to the contract a well at least 3,000 feet deep was to be sunk, but after drilling less than half that distance the work was abandoned and the contract abrogated. Friday Gov. Roberts, on behalf of the state, entered into a contract with Tony Sudekum of Nashville, to continue the work of drilling for oil at the lake, the contract being identical with that made with the Texas concern. If oil in commercial quantities is found the state will share in the profits; if the work results in failure the state loses nothing. Mr. Sudekum will forfeit \$10,000 to the state for failure to carry out the contract.

FULTON COMMERCIAL CLUB HAS ANNUAL BANQUET

The annual banquet of the Fulton Commercial Club was given last Thursday evening in the dining room of the Hotel Usona. According to the Fulton Daily Leader this affair reached the acme of perfection in Fulton banquets, with excellent food and service and thoughtful and optimistic speeches.

Hon. H. T. Smith acted as toastmaster, and Hickman speakers were County Agent O. L. Cunningham and Senator B. T. Davis. Mr. Cunningham urged the necessity of intensive cultivation of every acre of Fulton County soil, while Senator Davis boosted good roads in his address and explained the workings of the road law, showing its weak point and giving some of the amendments which it is hoped will render it more practicable. He stated that he had some legislation which he intends to present to the next session of the legislature.

Cowgill Rogers spent a few days here this week with home folks.

Our idea of a highbrow is the fellow who pronounces pumpkin and hiccough the way they are spelled.

Nowadays a wedding couple welcomes the old shoes that are thrown at them—if the shoes are of the right size.

The citizen who told about catching the big fish last summer will soon be around telling about the first robin.

It is probably a good thing for the fellow who can "drink or let it alone" that dynamite doesn't come in liquid form.

We see where a Detroit butcher has gone into bankruptcy. He must have given away a piece of liver with a purchase.

There is one auto to every sixteen people in the United States. That

means about six riders to every ten dodgers.

Where's the Hickmanite who can say he never got in a hurry but what a shoestring broke or his coat got caught in the door?

An Eastern scientist says Americans are becoming round shouldered. Probably from carrying around such a heavy tax burden.

Everybody criticizes the Hickman citizen who spends his money freely, but everybody is willing to get busy and help him spend it.

There are a lot of good things in this old world, but nothing has yet been found to beat the wife who is both a companion and a cook.

They are having riots in Kentucky because tobacco prices are too low, but we haven't heard of any around the cigar stores for the same reason.

Forty-five new coal companies have been organized in West Virginia in the past three months—and yet some fellows are content to go right ahead in the banking business.

THE "BLUE LAWS"

There is a great deal of space being devoted in daily newspapers and magazines these days to a discussion of this country's possible return to the old "blue laws" of Pilgrim days, and since the matter has become national in its scope naturally citizens of Hickman are taking their share of interest in the discussion.

Out of Washington comes a report that the Lord's Day Alliance proposes to stop everything on Sunday which involves any kind of manual labor. That would mean all trains would stop, milk couldn't be delivered, Sunday papers would have to suspend, drug stores and ice cream parlors would keep their doors locked and auto pleasure riding would cease. Not a gallon of gasoline—or anything else—could be sold on Sunday. At the same time there comes a denial of this, a high official of the League declaring that it is proposed only to stop everything which borders on commercialism. There could be ball games, if no admission was charged, and autos could run provided it was in order to get their owners and their families to and from church.

We do not believe there is a more law

abiding community in all the land than the one in which this paper is printed and circulated. And we do not want to see Sunday commercialized to the extent that it will mean a money grabbing day. But we do feel that our citizens are entitled to fresh air and exercise and such innocent pleasure as they feel is best for them after six days of labor. And any attempt to legislate them into being any better than they are is going to meet with a hearty protest from them right off the reel.

OTHER PEOPLE'S BUSINESS

Taking exception to the way other people run their business is a favorite pastime of the American people, and quite a few of that kind of Americans make their home in and around Hickman. Not that this community is different from any other, for it isn't in this respect. But just as charity should begin at home, so should the work of eliminating criticism of others start at home.

It seems to be human nature for a fellow to think he could run another fellow's business better than it is being run. Take for example the newspaper. You wouldn't run the paper the way we do, would you? Of course not. Possibly you could do a lot better, but this much we know—you would not run it the way you think you would. No man ever ran a newspaper, or any other business just as he would like to do. There is a desire on the part of every editor to please everybody—but he soon learns it can't be done. He starts in determined to print every item of news that comes up, and pretty soon learns that he can save a lot of sorrow and unhappiness by leaving out some few items that occasionally come up. Again there are times when he must publish a story, even though it hurts some of his best friends. If a certain item appears it makes some people mad, and if it is left out it makes others mad because it wasn't printed. So the newspaper is criticized either way it turns, despite the fact that the editor would like to please everybody. The same is true of the conduct of every other business. You might run it differently from the other fellow, but you wouldn't even then run it to suit yourself, and we doubt if you'd run it any better. Try to remember that before offering criticism of the other fellow's business, for it will help the business in which you happen to be engaged.

BETTER TALK IT OVER

Tobacco growers of Kentucky are up in arms just now over the low price of tobacco, and farmers throughout the entire west are at a loss to solve the problem of prices for hogs and corn. What to plant and how much of it to plant has now become the great, absorbing question with the producers of necessities in this country. So right here we would offer a suggestion. Every town the size of Hickman boasts either a school house or a public hall of some kind. Why not utilize them right now, during the winter months for holding mass meetings to talk over the situation? Community meetings, and that is what they truly are, are being held already in many sections. Why not make them nation wide in their scope, and pass along the word to the next town what has been done by the citizens of another? Bring in our citizens from the rural communities and hear their side of the question. Ask the state agricultural board to send some one here for a talk who knows what conditions are in every county in the state, and who can tell the people what others are doing to solve the big problem. There must be co-operation, and all must be pulling in the same direction if any good is to be accomplished. And the community mass meeting offers an ideal way to secure this. The idea is not new—it is in practice now, and wherever community meetings are held and held often conditions are nearer what they should be.

Let's have more community meetings—one every week in every schoolhouse in the county if possible. For even where but two or three put their shoulders to the wheel the entire neighborhood is bound to feel some benefit.

ABOUT IMMIGRANTS

There seems to be an idea in some quarters that the immigrants now swarming into this country are to be welcomed on the ground that they will seek employment on the farms and thus solve one of our great labor problems. But if there is a farmer in Fulton county of that opinion we want to point out his error in such belief. For government reports show that these people are flocking to the larger cities and that a very small per cent of them go to the rural districts. The fact is also established that in many instances farmers have found the new residents undesirable, and will not have them around. They are, to put it plain, more trouble than they are worth.

While this class of immigrants is coming in a class of emigrants that has been of great value to the farmer is going out. These are the Swedes and Norwegians of the northwestern section of this country, thousands of whom are returning to their native land or flocking across the border into Canada. A large number of these sturdy tillers of the soil declare that America is not what it used to be, and that so many undesirable residents are now permitted to land in this country that they see ahead a curtailment of our liberties. The government will have to tighten up if it wishes to protect itself, they argue, and it sounds good.

The entire affair offers something for our law-makers to think about, and the quicker they back up the new law to stop immigration for a year with laws to govern those who are over here looking for an easy living and without work the better it will be for all of us.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

Take "Dodson's Liver Tone" Instead!

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel, just remember that your druggist sells for a few cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

In a Gambler's Market

A clerk's error, adding three ciphers to a thousand-bushel selling order, caused wheat to fall 8 1/4 points on the Chicago Board of Trade last October. It didn't change the world's wheat supply by a single grain or affect actual wheat needs by so much as a crust of bread, but every farmer whose wheat was marketed that day lost money as a result.

A short time before, the market was sent tumbling by a false cablegram announcing that France had a big harvest of wheat.

When a clerical error or baseless rumor can rob the farmer of millions, some remedy MUST be found.

A practical remedy is knowledge of world markets. Accurate information on all foreign crops can be gathered and given out. This would make supply known and demand steady.

The Farm Bureaus aim to prevent costly price fluctuations by this means. They believe in the "light cure" as a remedy for distribution evils. And you can help! If you are not a Farm Bureau member, join today.

In your individual effort to contribute toward the improvement of farm conditions, you

will find THE COUNTRY GENTLEMAN a powerful ally. With a large staff of editors and contributors covering every corner of the land—even studying foreign markets—THE COUNTRY GENTLEMAN presents each angle of our national farm problems in the most helpful and interesting way. UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Hickman. No Hickman resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

John H. Nelson, painter and farmer, E. State St., Hickman, says: "I used one box of Doan's Kidney Pills and they did me a great deal of good. I also had constant pains. Seeing Doan's Kidney Pills highly recommended, I got a box and used them as directed. In a short time was cured. I have had no occasion to use Doan's since then. I can highly recommend them to anyone suffering from kidney trouble." (Statement given January 3, 1921.)

On December 3, 1920, Mr. Nelson said: "I have the same good opinion of Doan's Kidney Pills as when I endorsed them several years ago. I take a few Doan's whenever my kidneys are out of order and they never fail to promptly strengthen my kidneys and leave me in good condition." Price 60c at all dealers. AMERICAN LEGION PLAY POSTPONED

Will Be Given at Rex Theatre Monday Night, January 24.

The farce comedy, "The Jolly Tourists Express," which was scheduled to be given Friday night at the courthouse under the auspices of the Ambra Townsend Post of the American Legion, has been postponed to Monday night, January 24. Instead of being given at the courthouse as was intended, the Rex Theatre will be the scene of the performance, the change in place and date being necessitated by the fact that this is circuit court week and the circuit court room which was intended to be used could not be secured early enough Friday to permit making the necessary changes in the arrangements. The members of the cast have devoted every night for the past ten days to rehearsals and quite a display of local histrionic ability should be in evidence next Monday night. Tickets for the performance may be had from members of the local post.

SOISSONS HERO'S BODY ARRIVES.

The remains of Private Leon W. Moyers, who made the supreme sacrifice in the late war, arrived in Bardwell, Saturday and was buried in Zoar Church Cemetery Sunday, in the eastern part of Carlisle County, the American Legion taking charge of the ceremonies. Leon was a son of Mark D. Moyers, deceased, who formerly lived in that county, but later moved to Warren, Ark.

Though under the age required for service in the army, Leon enlisted at Warren, Ark., and was soon sent to France, where, in the battle of Soissons he received wounds from which he died in a hospital on the 6th day of September, 1918, aged 19 years, 8 months and 9 days. He belonged to Company F, 18th Infantry, First Division.

AUTO FOUND—NEGRO CONVICTED

An automobile owned by Ed Hawkins, a Paducah flour and feed dealer, which was stolen at Fifth Street and Broadway, was recovered at Wickliffe, Ky., and two negroes—Gus McKendry and Roosevelt Percely—who were in the car, were arrested. The negroes and the machine were brought to Paducah. The grand jury, which was in session, indicted the negroes and the trial of Percely resulted in a two year term in the penitentiary. The warrant against McKendry, who is a young negro was filed away with leave to restate.

Surely YOU don't want to be left out! Why, all your friends are joining our CHRISTMAS SAVINGS CLUBS.

And, LET ME TELL YOU, IT'S A MIGHTY FINE THING TO HAVE A CARISTMAS SAVINGS CLUB. The checks, which are sent out around the first of December, are about the nicest things that come to you at that time of the year, as they're always in time to help you with your Christmas shopping, and make you have a pleasanter feeling toward the holidays, as ready money always does.

And LOOK AT IT FROM ANOTHER ANGLE—Money saved in this way can be used for your TAXES, INSURANCE, or any other debts that seem to always come when you have the least money. BUT, if you have a Savings Club you're sure to have money to meet these debts.

Take out a club that will give you the amount you want to have at the end of the year and put in the small amount each week, and it will grow almost as fast as JACK'S BEANSTALK. WHO COULD WANT QUICKER RESULTS?

Homer Brummet, formerly of Carlisle county, was instantly killed Monday night at Paducah when the automobile he was driving collided with a street car.

The state appropriation may be withdrawn from the West Kentucky Industrial College, an institution for negro education which occupies its own buildings in Paducah. The reason is that a recent inspection of the school's books revealed inaccurate and extravagant expenditures. It is claimed.

Using the pistol of his brother, Richard Camblins Gilliam, 62 years old, ended his life Thursday morning by shooting a hole through his head at Paducah, while standing near the back porch of his brother's home. He died instantly. The pistol used was a .32 calibre Smith special and was carried by his brother, Patrolman D. Gilliam, in police work. The cause of suicide is thought to be insanity, brought on through worry because he was not married.

GUSHER BROUGHT IN AT EL DORADO

Like Regular '49 Days—Estimated High As 30,000 Barrels Daily.

A dispatch from El Dorado, Ark., says that scenes of California in '49, of Cripple Creek and the Klondike, were being re-enacted there—modernized to a great extent, but typical of the craving of man for great wealth quickly attained. Oil is the answer.

El Dorado a week ago was a quiet, conservative town of 3,000 inhabitants manifesting some interest in the prospecting for oil in the vicinity, but primarily intent on pursuing the even tenor of its way as a farming community. Today its population is increased by brokers, scouts and investors, has trebled, and every man and woman, and even the children of the town are, in their opinion, potential millionaires.

Monday afternoon a well drilled by Dr. Sam T. Bussey blew in as a gusher. Oil, mud and water spouted from the mouth with a roar that could be heard for several miles and attained a height of 25 feet above the top of the derrick. The word spread like wildfire and the next day the rush to the new oil field became so great that special trains were necessary to care for the traffic from all directions.

Oil men of many years experience and of undoubted veracity estimate that the well's capacity is several thousand barrels a day and some estimates have gone as high as 30,000 barrels. The big idea in the minds of every one is that the gusher has proven the presence of a new oil field, and the first field discovered in Arkansas.

The hotels are jammed and every available room and bed in the town is occupied. Hotel lobbies have been converted into curb markets, where leases are bought and sold at fabulous prices. When a seat is vacated a dozen men scramble for it. Restaurants cannot provide meals for all the visitors, and hungry men form lines extending outside the doors waiting for a seat and an opportunity to be served. Curiously hotel and restaurant prices have not been raised.

One man sold a lease located within

a mile of the Bussey well for \$4,000 an acre. Five hundred dollars an acre for a lease is considered a nominal price if the property is within two miles of the gusher, and leases situated as much as six miles distant bring as high as \$100 an acre.

The Little Rock Chamber of Commerce has established a branch office there. The Hot Springs Chamber of Commerce has sent representatives who are scattering handbills declaring Hot Springs to be the headquarters for oil interests. Big wholesale and retail houses of the state are opening up branch houses there, and one company has shipped in more than a score of portable houses to be erected for newcomers.

An enterprising farmer is adding to his income by stationing himself and a team of mules at a mudhole between El Dorado and the Bussey well and offering his services to autoists to pull them out of the hole. He is kept busy.

Possibly the calmest man in town is Dr. Bussey, an oil man of 18 years' experience in Colombia, Bolivia, Mexico and most of the fields of the United States, who made his first real strike when the gusher blew in Monday.

KEEP THE BOY ON THE FARM.

The County Agent is now making an effort to enroll every boy and girl in the county between the ages of 9 and 18 in the Junior Agricultural Club. The work this year will be as follows: The Corn Club, Pig Club, and Poultry Club. Any boy between the above mentioned ages can grow a pig or any boy or girl can grow a flock of poultry. Any boy or girl may belong to all three activities if they desire. I am asking the mothers and fathers in behalf of these boys and girls to give them a chance. Your boys and girls can be interested in better methods of farming and it is the Christian duty of the parent to see that they get it. They can be kept on the farm, if you will not stand in their way. Why not give them the advantage of all the training possible when they are young for they will be young only once and the time will soon come around when they will not have this chance now offered them? This work is highly worth while and I challenge any parent to find anything wrong with

it. I am only asking for a chance to help make your boy and girl a better and more useful man or woman. Are you interested enough in your boy's or girl's future welfare to cooperate with me in this?—O. L. Cunningham, County Agent.

BROOKS MAY RUN FOR JAILER.

Tom Brooks, formerly of this city, but more recently residing in Mississippi, returned home Saturday. While Mr. Brooks will not say positively, it is known that he has an eye on the jailer's office, and may make the race in the coming primary. He has a host of friends and if he makes the race will make somebody hustle to beat him.—Fulton Daily Leader.

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a general strengthening tonic to the whole system. Nature will then throw off or dispel the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Hon. J. D. Senter, of Humboldt, Tenn., was in the city the first of the week attending the meeting of the circuit court here. He is prominently identified with politics in Tennessee.

Mrs. Frank Crutchfield was in Martin Saturday.

G. W. Boucher, formerly connected with the Fulton Wireless, recently sold the Martin Mail, which he has been publishing since last August, to Messrs. Sanders and Whitcomb. Mr. Sanders has been a member of the Franklin Job Printing Co., of Martin for the past few months, while Mr. Whitcomb was formerly in the automobile business in Martin. The Courier wishes much success to the new publishers.

W. P. Curlin, living on route one, called at The Courier office Saturday renewing his subscription for another year. He tells us that he is now sixty-eight years old and has been a constant reader of the paper ever since he was eight years of age. We are always especially pleased to have our older friends call on us.

CIRCUIT COURT IN SESSION

Convened Monday for the Regular January Term.

The Fulton County Circuit Court convened Monday morning for the regular January term and is now in session. Circuit Judge Bank Gardner presiding and Commonwealth Attorney Ben S. Adams having charge of the argument for the commonwealth. Monday both the juries were empaneled, the grand jury being composed of W. A. Luten, foreman, S. A. Wilkins, H. P. Johnson, Walter Crostic, Chas. Noonon, J. H. Miller, R. C. Roper, Chas. McMurry, J. C. Hendrix, C. M. Hornsby, A. A. Townsend, S. H. Linder. In instructing the grand jury Monday Judge Gardner devoted the greater part of his speech to the delineation of their duties in searching out and investigating crime in the county. Thus far there have been three indictments turned into the court by the grand jury.

A very heavy docket faced the court on the opening day, and the following are among the more important cases which have been disposed of:

Commonwealth vs. Hosie Otterbridge, wilful murder, continued.

Commonwealth vs. Genie Davis, wilful murder, continued.

Commonwealth vs. Sam Overton, wilful murder, continued.

Commonwealth vs. Jno. Long, breach of peace, fined \$10 and costs.

Commonwealth vs. Odell Haynes, housebreaking, entered plea of guilty. Jury gave sentence of two years in state penitentiary.

Advance Rumley vs. C. T. Bondurant, case dismissed, settled.

H. J. French vs. N. C. & St. L. Railway, in which the plaintiff claimed damages from a sewer on the railroad property. Jury trial resulted in verdict for \$45 damages.

The court will continue for the remainder of this week.

YOUNG WIFE DIES.

Dyersburg, Tenn., Jan. 14.—Mrs. Claude Thurmond, formerly Miss Mildred Waters, died at noon here today. A son was born to her Monday. She was a bride of one year and was a daughter of Rev. and Mrs. W. C. Waters, of Paris.

Rev. Waters was at one time pastor of the First Methodist Church here.

WILLIAM A. WEST DEAD.

William A. West died at the home of his brother, George West, in East Hickman yesterday morning, being a little over 72 years of age. The cause of his death was given as dropsy and heart failure. The burial will occur today in the City Cemetery.

DIED SATURDAY.

Mrs. Mary Davis, wife of Jones Davis, living 5 miles south of town on the Dyersburg Road, died Saturday morning at the family residence. The funeral was held Sunday and interment took place in Brownsville Cemetery.

For good eats, go to Frost's.

Comebacks

As the big leagues line up this spring three great examples of baseball managerial comebacks will be on the job. Johnny Evers, after being buffeted about at Cincinnati, Boston and New York, is again at the helm of the Cub machine. Lee Fohl, who managed the Cleveland team before Tris Speaker, will lead the St. Louis Browns, and Wild Bill Donovan, former boss of the New York Yanks, after a season in the minors, will head the Philadelphia Nationals.

You are hereby notified to appear in the County Court of the County of Fulton, Ky., within thirty days from this date and show cause, if any you have, why the prayer of the petition of D. B. Wilson and others herein filed should not be granted and why the report of the Board of Viewers filed herein and now on file in the office of the Clerk of said Court should not be confirmed, which report recommends the establishment and organization of a levee district embracing the following territory of said county: viz:

"Beginning on the State Line at a point where Reelfoot Levee intersects said State Line, runs with said levee N. 63° W. 272 ft.; thence N. 14 1/2° E. 600 ft.; thence N. 0° 2000 ft.; thence N. 1° 30' E. 1770 ft.; thence N. 20° E. 2100 ft.; thence N. 14 30' E. 700 ft.; thence N. 17° E. 808 ft.; thence N. 35° E. 1700 ft.; thence N. 25 30' E. 688 ft.; thence N. 12° E. 2500 ft.; thence N. 16° E. 3800 ft.; thence N. 10° E. 768 ft.; thence N. 10 30' 3352 ft.; thence N. 1° E. 750 ft.; thence N. 22 30' E. 2080 ft.; thence N. 8° E. 1050 ft.; thence N. 24 30' E. 1973 ft.; thence N. 24° E. 224 ft.; thence N. 22° E. 300 ft.; thence N. 20 30' E. 1532 ft.; thence N. 63 30' E. 1758 ft.; thence N. 47° E. 800 ft.; thence S. 84 30' E. 635 ft.; thence N. 83° E. 1200 ft.; thence N. 87° E. 1000 ft.; thence S. 89 30' 2700 ft.; thence N. 58° E. 1085 ft.; thence N. 51 30' E. 3100 ft.; thence N. 55 30' E. 1700 ft.; thence N. 49° E. 3700 ft.; thence N. 42 30' E. 475 ft.; thence N. 38 30' E. 2068 ft.; thence N. 36 30' E. 2685 ft.; thence S. 67° E. 800 ft.; thence S. 44° E. 2145 ft.; thence S. 4° W. 2245 ft.; thence S. 48° E. 3800 ft.; thence N. 88 30' E. 1338 ft.; thence S. 41 30' E. 2350 ft.; thence S. 47° E. 1400 ft.; thence S. 10 30' E. 1500 ft.; thence S. 63° E. 2222 ft.; thence S. 70° E. 2092 ft.; thence S. 80° E. 2919 ft.; thence N. 28 30' E. 1430 ft.; thence S. 85 30' E. 1068 ft.; thence S. 86° E. 1200 ft.; thence N. 85 30' E. 1547 ft.; thence N. 79° E. 1800 ft.; thence N. 88° E. 867 ft.; thence S. 81 30' E. 631 ft.; thence N. 50° E. 1448 ft.; thence S. 39° E. 974 ft.; thence N. 88° E. 600 ft.; thence N. 87° E. 2553 ft.; thence N. 85° E. 968 ft.; thence S. 18° E. 406 ft.; thence S. 17 30' W. 660 ft.; thence S. 69° W. 160 ft.; thence S. 28° E. 297 ft.; thence S. 59 30' E. 460 ft.; thence S. 9° E. 500 ft.; thence N. 85° W. 940 ft.; thence S. 66 30' W. 825 ft.; thence S. 3° E. 639 ft.; thence S. 47 30' W. 2000 ft.; thence S. 49 30' W. 2290 ft.; thence S. 47° W. 7690 ft.; thence S. 10 30' E. 325 ft.; thence S. 30° W. 4850 ft.; thence S. 42° W. 3525 ft.; thence S. 31° W. 3125 ft. to the State Line; thence N. 88 15' W. 11776 ft.; thence S. 83 45' W. 26706 ft.; thence N. 89 30' W. 4850 ft. to the beginning point."

And show cause why the land or other property owned by you located in the proposed district shall not be assessed for the purpose of establishing and organizing the said district and constructing the proposed improvement and maintenance thereof, and why so much of the land or other property owned by you which may be necessary to construct and maintain said proposed improvement shall not be taken or damaged for such purpose. Upon your failure to appear and file objections or exceptions, if any you have, within thirty days from this date it will be taken for granted and confessed by the Court and all others that you have no objections to the establishment and organization of said district or the construction and maintenance of the proposed improvement in said levee district.

The proposed improvement is the construction, reconstruction rebuilding and maintenance of the levee along the banks of the Mississippi River in said district. There are approximately 27-218 acres of land in the said described territory benefited by said levee.

Witness my hand as Clerk of the Fulton County Court on this the 13th day of January, 1921.

O. C. Henry, County Court Clerk.

ASPIRIN

Name "Bayer" on Genuine

Beware! Unless you see the name "Bayer" on package or on tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as told in the Bayer package for Colds, Headaches, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve Bayer Tablets of Aspirin cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoacetic-acidester of Salicylicacid.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me. I saw after taking some Cardui... that I was improving. The result was surprising. I felt like a different person."

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me... My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments. For sale everywhere. R. 63

Sultan Who Solicits Washing. Perhaps one of the most primitive of independent kingdoms is the little island of Johanna. In the Comoro group. The sultan boards any ship that may call there and endeavors to secure the washing for his wives, while the prime minister peddles coconuts and bananas.

GETTING A GOOD START EVERY DAY

Red-Blooded Men and Women Are Up and Doing Bright and Early.

FREE YOUR BLOOD FROM POISON

Take Pepto-Mangan, the Famous Blood Tonic Prescribed by Physicians for 30 Years.

Sluggish blood clogged with poisons makes you lazy. You never feel like getting up in the morning. And when you do get up, you miss that feeling of refreshing rest. You feel more tired than when you went to bed. After a good night's sleep you should get up with a spring, feeling alive, renewed, refreshed. And you would, too, if your blood were full of red corpuscles. Your complexion would look fresh, your eyes

bright and clear; you would feel the warm tingle of good health.

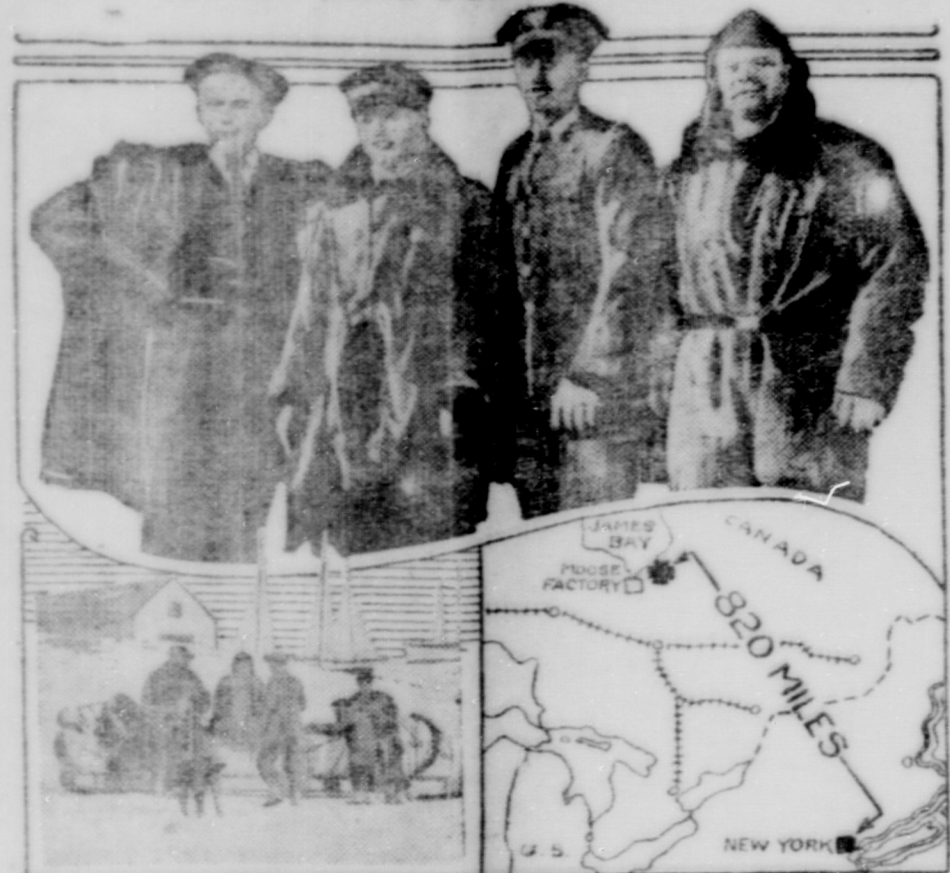

Look to your blood if you have that lazy, tired feeling in the morning. Begin taking Pepto-Mangan—the ideal tonic. It has blood-building properties that pick you up and give you strength. Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form. Both have the same medicinal properties.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name "Gude's Pepto-Mangan" is on the package.

Airmen Back From Frozen North

Precedents and red tape will likely be set aside by the Navy Department this week in reimbursements to the three navy balloonists who have just returned from the frozen north of the Hudson Bay district after having established a new navy balloon record of 820 miles. Facing starvation and freezing for four days in the woods northeast of Moose Factory, the farthest northern point of the Hudson Bay Trading Co., the balloonists finally encountered an Indian trapper

who brought them into Moose Factory. This picture, the first received in the U. S., was taken at Moose Factory by a clerk when the fatigued balloonists were brought in. They are J. L. Gaudet, manager of the Hudson Bay Co., Lieutenant L. A. Kleer, commander, Walter Hinton and Lieutenant Stephen A. Farrell. The inserts show Moose Factory and distance of flight. The balloonists sailed from New York Dec. 13. Two hundred miles of the return trip was by dog sleds.

PAY DIVIDEND.

At the annual meeting of the First Fulton County National Farm Loan Association's stock holders held Jan. 11th, an accumulative dividend of 6 per cent was declared and paid to the stockholders. There were sixteen members present and through the efforts and influence of the president, S. A. Wilson, the meeting was held at the office of the Farm Bureau instead of at the office of the secretary as before. This association was formed in 1919 and has paid a 6 per cent dividend on its stock since organization and with the past management will continue to do so. Officers were elected for the coming year as follows:

President—S. A. Wilson.
Vice-President—S. B. Burrus.
Secy-Treas.—H. W. Whipple.
Directors—S. A. Wilson, S. B. Burrus, T. C. Kelly, A. A. Faris, M. E. Spradlin.
Loan Committee—S. A. Wilson, S. B. Burrus, T. C. Kelly, Alternates—M. E. Spradlin and A. A. Faris.

CHEER UP! IF YOU KNEW WHEN YOU WERE GOING TO DIE THERE WOULDN'T BE ANY FUN LIVING.

J. S. BELT DEAD.

J. S. Belt, formerly a resident of Hickman, died at the home of his son, C. C. Belt, in Jonesboro, Ark. Monday night at ten o'clock. Mr. Belt was eighty-four years old, and death was the result of the infirmities incident to old age. The remains were brought to Hickman for burial, arriving Wednesday afternoon. The funeral occurred Wednesday afternoon at 2:30 from the residence of A. O. Caruthers, the services being in charge of Dr. H. B. Johnston, pastor of the First Methodist Church. Burial was had at the City Cemetery.

The deceased was well known in Hickman, having resided here until a few years ago. For the past few years he has been living with his children, spending a short time with each.

WELL KNOWN TO LEGION MEN

Gilbert Bettman, Chairman of the National Legislative Committee of the American Legion.

Gilbert Bettman, who was recently appointed chairman of the national legislative committee of the American Legion, is well known to many Legion members because he helped to draft the four-fold optional plan of adjusted compensation and, with James G. Scrugham, new national vice commander, presented it before the ways and means committee of the house of representatives.

Mr. Bettman was graduated from Harvard college and the Harvard law school with three degrees, and practiced law in Cincinnati until a short time after the outbreak of the war.

Appointed as assistant to the director of the bureau of war risk insurance, Mr. Bettman served in that capacity until the German offensive of March 21, when he was commissioned captain in the military intelligence division of the general staff.

Mr. Bettman attended the St. Louis caucus of the American Legion and the Minneapolis and Cleveland conventions. He has served as chairman of the war risk committee and as a member of the national beneficial legislative committee.

Dread Suspense.

"Oh, doctor, tell me, quick!" moaned the fair patient, clasping her lap-dog and convulsively nibbling a thousand-dollar check. "How sick am I? Is it California, Florida or Europe?"

It is reported that some of the citizens of East Hickman held a rocking party Monday night for an undesirable neighbor. Doors were torn down and bricks were hurled with considerable avidity for some time.

The Hickman Parent-Teachers Association has inaugurated an excellent practice, in serving lunches to the school children of the city. At the noon hour every day, a lunch consisting of soup and sandwiches is served to each child for the small sum of ten cents, just enough to cover expenses. Many of the children had of necessity been bringing no lunches or lunches which are not supposed to be beneficial to a school child, and the association began this innovation to prevent this. This is a good work and shows that the Parent-Teachers Association means to bring about a new order of things here.

SHOT WHILE ASLEEP.

Napoleon Williams, a negro who holds the position of night fireman at the Mengel Box Factory, was shot this morning at six o'clock by Walter Neely, another negro working on the log haul with the same company. It is reported that Neely shot Williams while the latter was asleep, resulting in a slight wound in the top of his head and in his left arm. It is said that the shooting resulted from trouble between the two over the wife of Neely. Neely went immediately to the home of Sheriff Walker to give himself up. The Sheriff was not at home and the negro went to the jail and surrendered himself to Jailor Murchison.
